3. CHAIRMAN'S REPORT

Firstly, I would like to thank my fellow members and the clerk of the Parish Council for their hard work throughout the last 12 months.

We are still ploughing through our "To Do" list, but thankfully it is becoming smaller with some of the larger jobs being crossed off! I understand as a whole that all our decisions won't please everyone, but unfortunately that happens in society and we must go with the majority and what we consider is in the best interest of the Parish.

I would like to thank the Village Hall Committee for the work they put in keeping the village Hall up and running.

Also, I would like to thank David and Marie Myers and Ken Walker and his family for keeping the river frontage and churchyard tidy. I would also like to thank Gavin Sumnall for keeping the village entrances neat and tidy and for all the maintenance work he has carried out throughout the year.
